

The benefits of shopping
at farmers markets

Dear Friend,

Summer is almost here! Our local farmers markets are open, giving us the chance to savor the bounty of fresh fruits, vegetables and local products that our region is becoming known for. Shopping at farmers markets is a great way to support our local farmers and spend a morning or afternoon enjoying the fresh air and company of friends and neighbors.

If you are age 60 or older, I encourage you to reach out to the Sullivan County Office for the Aging in the first week of July to see if you are income-eligible to receive coupons for use at farmers markets through the Senior Farmers Market Nutrition Program. The phone number is 845-807-0241.

As always, if you have any questions or if I can be helpful to you in any way, please feel free to reach out by phone at 845-794-5807 or email gunthera@assembly.state.ny.us. My door is always open.

Sincerely,

Aileen M. Gunther
