ASSEMBLYWOMAN  
**Claudia Tenney**

# CLAUDIA TENNEY

has been fighting for our Second Amendment rights from the very start

## CLAUDIA HAS SAID NO

to the governor and the anti-gun lobby time and time again.

- She voted no on the SAFE Act, which has failed to reduce ILLEGAL gun crime.
- She voted no on overreaching and job-killing legislation known as micro-stamping.

## CLAUDIA WAS THE FIRST

to sponsor legislation to fully repeal the so-called SAFE Act, standing up to Assembly majority leadership and the governor.

Join Claudia by signing the petition to get her repeal legislation on the floor of the Assembly:
