

“Summer vacation is here, but food programs ensure that our kids can still get the healthy meals they enjoy during the school year.”

— Assemblyman Frank Skartados

There are no income or residency requirements, and there are no forms to fill out – just show up!

Meals for kids

During the school year, many kids get reduced-cost or free lunches at school. The facilities listed here help provide children with meals throughout the summer months.

Abraham's Table provides free lunch to kids under the age of 18 through the U.S. Department of Agriculture's Summer Food Service Program. For more information, please call Abraham's Table at 845-475-1748.

If you have questions about this or any other community issue, contact my office.
