

“Summer vacation is here, but food programs ensure that our kids can still get the healthy meals they enjoy during the school year.”

— Assemblyman Frank Skartados

# Meals for kids

During the school year, many kids get reduced-cost or free lunches at school. The facilities listed here help provide children with meals throughout the summer months.

Many community centers provide free lunch to kids under the age of 18 through the U.S. Department of Agriculture's Summer Food Service Program. **For more information, contact Cornell Cooperative Extension Dutchess County at 677-8223.**

If you have questions about this or any other community issue, contact my office.
