JOBS & FAIR WAGES ARE AT THE FOREFRONT OF FRANK'S AGENDA.

This year, he helped pass another on-time state budget that:

- ▶ **Lowers taxes** for middle-class families
- ▶ **Creates jobs** by cutting taxes on manufacturers
- ▶ **Reduces energy costs** by decreasing an unfair energy tax
- ▶ **Increases the minimum wage** to \$9.00 per hour by 2016

“Tax dollars should benefit our community – not be used for perks. **That’s why I refuse taxpayer-funded travel pay.”**
