Assemblyman Skartados is fighting for a **0% tax on manufacturing** in Dutchess and Orange counties

Assemblyman Skartados believes Dutchess and Orange counties should be included in the governor's plan for a 0% tax on upstate manufacturing.

Providing this tax relief to our manufacturers would encourage new businesses and create good-paying jobs for the Mid-Hudson Valley.

YES,

I support including Dutchess and Orange counties in Governor Cuomo's proposal for a 0% tax on manufacturing to help bring good jobs to the Hudson Valley.
