Frank Skartados: Fighting for Marlboro schools, protecting taxpayers

- ✓ Marlboro schools received over **\$11 million** in state aid in this year's state budget, a 4.7% increase.
- ✓ For the second year, Frank worked across party lines to help secure **an additional \$4 million** to offset the drastic loss in revenue from the Danskammer Generating Station.
- ✓ Frank helped **reform Common Core** so our kids don't suffer because of its flawed implementation.
