

“Summer vacation is here, but food programs ensure that our kids can still get the healthy meals they enjoy during the school year.”

Meals for kids

During the school year, many kids get reduced-cost or free lunches at school. The facilities listed here help provide children with meals throughout the summer months.

The City of Poughkeepsie provides free breakfast and lunch to kids under the age of 18 through the U.S. Department of Agriculture's Summer Food Service Program. For more information, contact the Cornell Cooperative Extension Dutchess County at 677-8223.
