U.S. Postage
PAID
Albany, NY
Permit No. 75

Many kids get free or reduced-cost lunches during the school year, but it's important to make sure they have access to healthy meals throughout the summer months too. That's why many local community centers provide free lunch to children through the USDA's Summer Food Service Program (SFSP).

Meals for kids

If you have questions about this or any other community issue, please feel free to contact my office.
