

*Let's get serious
about job creation.*

Three Keys to Job Growth
From New York's Top Ranked
Pro-Jobs Legislator

- ▶ **LISTEN**
- ▶ **REFORM**
- ▶ **ACT**

A Special
Report from

ASSEMBLYMAN
STEVE McLAUGHLIN

ASSEMBLYMAN
STEVE McLAUGHLIN

STEVE KNOWS JOBS – HE’S THE TOP RANKED PRO-JOBS LEGISLATOR IN NEW YORK

“Steve McLaughlin received the *HIGHEST RANKING* out of 212 state legislators for his commitment to a pro-jobs agenda *BY THE BUSINESS COUNCIL* of New York State.”

ASSEMBLYMAN
STEVE McLAUGHLIN

▶ **Listen to the needs of job creators**

- Repeal the job-killing laws found in New York’s 49,000 pages of business regulations.
- Eliminate excessive taxes that have led New York to the nation’s 2nd worst business climate.
- Partner with the private sector to let proven job creators set the tone.

▶ **Reform state’s approach to government services**

- Reduce wasteful spending on downstate programs that take the Capital Region’s resources.
- Empower Upstate New York to set our own agenda by eliminating costly, unfunded mandates.
- Run government like a business by focusing on leaner, more efficient service.

▶ **Act on economic development**

- Bolster our higher education institutions to prepare our region’s workforce to compete in the global economy.
- Encourage creativity and hard work through additional rounds of Regional Economic Development competitive grants.
- Support our agricultural businesses that have been the backbone of Upstate New York’s economy for hundreds of years.

YOUR TURN...

How do you believe state government can play a role in job creation? What are your ideas for job growth and economic development in New York? Email “JOBS” to mclaughlins@assembly.state.ny.us.
