

**A Promise Made is a Promise Kept**

# HONESTY ★ TRANSPARENCY ★ ACCOUNTABILITY

Steve McLaughlin promised to fight the special interests and make our voice heard in state government. That's exactly what he's done.

**HONESTY:** With the rash of corruption charges levied against politicians in recent years, Steve has been the loudest voice in government demanding that dishonest politicians be removed from office and face punishment to the fullest extent of the law.

**TRANSPARENCY:** Steve is fighting to increase the public's role in government by banning legislative votes in the dark of night that have been used to sneak through bad bills when taxpayers are sound asleep. See Steve's bill online at [bit.ly/sunshinebill](http://bit.ly/sunshinebill).

**ACCOUNTABILITY:** Steve voted for the Public Integrity Reform Act, strengthening ethics laws for elected officials by revoking taxpayer-funded pensions for convicted felons and requiring lawmakers to make their outside income public.
