Fighting For Our Children

Steve McLaughlin: Building the Path to our Children's Prosperity

The Foundation of Success

Setting the cornerstone for our kids to succeed

- Secured \$385 million for pre-K education

The Development of Success

Providing the tools our students need to excel

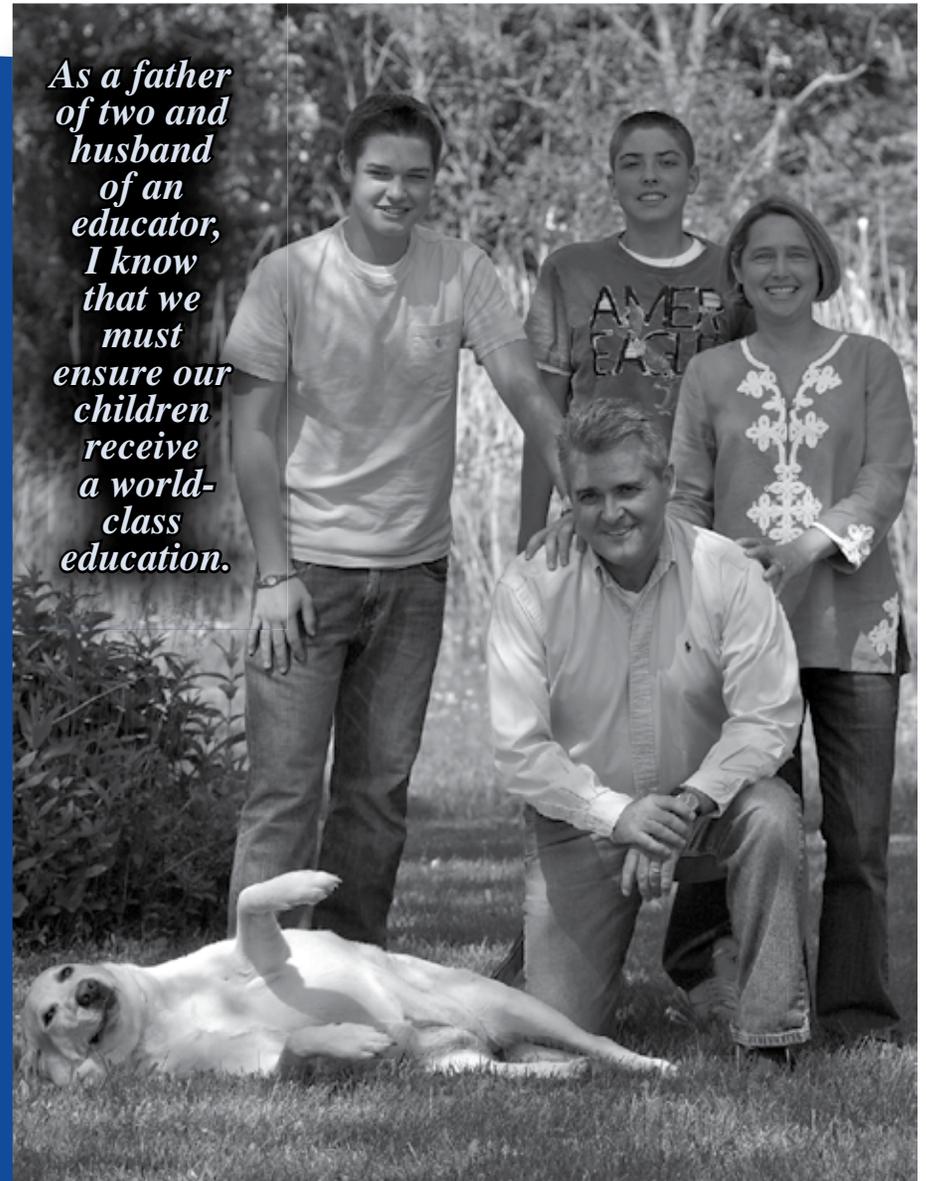

- Secured \$19.6 billion to support K-12 development
- Brought in \$124 million to support private education

The Future of Success

Making college more affordable and building a sound economy for the next generation

- Backed \$962 million for tuition assistance, so more New Yorkers can obtain their college degree
- Secured \$1.2 billion in economic development funds to ensure our students have a bright future with good-paying jobs

*As a father
of two and
husband
of an
educator,
I know
that we
must
ensure our
children
receive
a world-
class
education.*
