Join Assemblyman Steve McLaughlin Put Our Children Before Convicted Felons

Yes, I believe that families worried about putting their own children through college or struggling with their own student debt should not be forced to pay for the education of convicted felons. I stand with you and the families of New York State in your fight to protect our taxpayer dollars from being used to benefit those who have broken our laws.

All to pay for expensive
college educations...**

Once again, Gov. Cuomo and the downstate elite in Albany have misplaced their priorities. At a time when our education system seems to be in limbo, the progressive liberals have elected to use your tax dollars for convicted felons to receive free college educations. Join me in telling Gov. Cuomo that we want our money to go toward textbooks, teachers, and classrooms.
