

ASSEMBLYMAN
STEVE McLAUGHLIN

Safe communities start with better opportunities for our youth...

Assemblyman Steve McLaughlin knows the importance of **community partnerships** to keep our children off the streets and out of harm's way.

When a string of crimes impacted the City of Troy last year, Steve was one of the first officials to partner with community leaders and offer a reward for information leading to an arrest.

Steve's plan to keep our neighborhoods safe:

- Increase funding for community policing
- Fund transportation and access to after-school programs
- Fight to fund organizations like the YMCA and Boys & Girls Clubs
- Lock up dangerous drug dealers and criminals who prey on our children
