

When no one would
stand up to entrenched
Albany politicians,
Assemblyman Steve McLaughlin
stood up for us.

Assemblyman Steve McLaughlin

Assemblyman Steve McLaughlin is fighting to protect our Upstate New York values from misguided New York City politicians.

Steve is working to make the Capital Region an even better place to call home by:

- Calling out corruption in state government, regardless of party affiliation
- Standing up to downstate-centric policies that ignore Upstate interests
- Standing up to Governor Cuomo's botched state budget that alienates teachers and students
- Passing eight women's equality bills to protect against abuses such as sexual harassment and domestic violence
- Fighting special interests to increase tax relief for homeowners and businesses to create jobs and keep families in New York
- Stopping the NED Pipeline from being built through our neighborhoods

If you have questions on this or any other state issue, contact Assemblyman Steve McLaughlin at mclaughlins@assembly.state.ny.us or call 518-272-6149.
