By expanding and protecting our tourism economy, we create full-time year-round jobs, lower our taxes and maintain an excellent quality of life for our families.

Assemblyman Dan Stec is fighting to protect our tourism industry:

-  \$150,000 for fishing tournament promotions to bring the biggest and best competitions to our lakes and rivers
-  Fighting to reduce red tape for our local breweries and wineries to bring more jobs to our area in this expanding industry
-  \$4.3 million for local tourism a \$500,000 increase to create year-round, full-time jobs
-  \$2.5 million investment in I Love NY to help keep tourism flourishing and taxes low
-  Fought for public-private park and trail agreements that would create jobs and make our trail system the crown jewel of New York
