Assemblywoman  
**Addie J. Russell's**

.....4th Annual.....

**North Country Department Store**

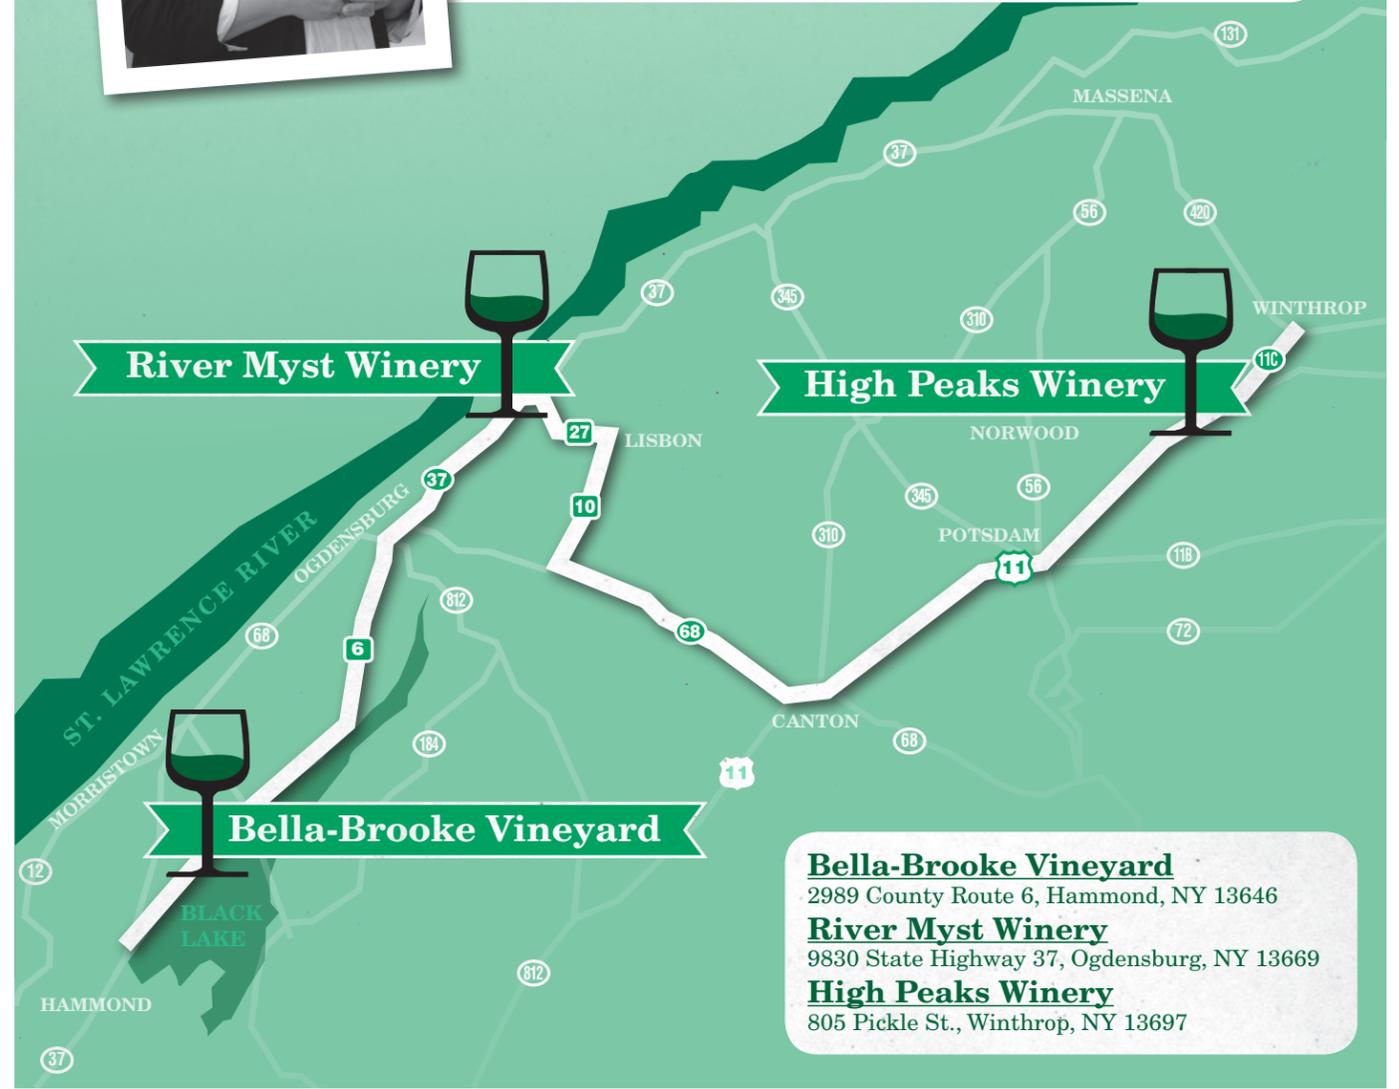

Saturday, Nov. 1 | 10 a.m. - 4 p.m.

Indian River Middle School, Philadelphia

Assemblywoman  
**Addie J. Russell**  
— is supporting our local businesses —

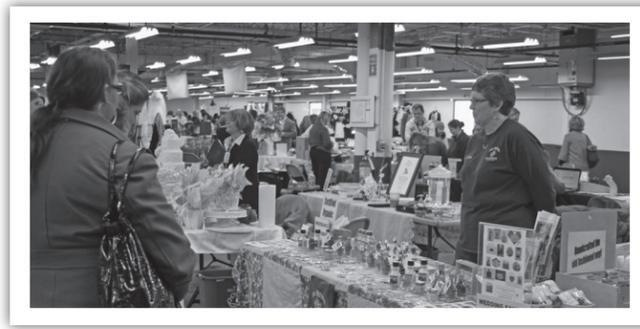

This year, Assemblywoman Russell authored legislation to create the **St. Lawrence Wine Trail** (Ch. 108 of 2014). The trail connects three wineries from Hammond to Winthrop to help boost business and tourism.

“Promoting small businesses helps our community grow, creates more jobs and strengthens the North Country’s economy.” *–Assemblywoman Addie J. Russell*

— Buy local and help grow our economy —

Assemblywoman Addie J. Russell understands that small, local businesses are the foundation of our economy. That is why she is continuing her **“Rediscovering Your Backyard”** initiative to promote local businesses.

Assemblywoman Russell also hosted her annual **Ogdensburg bridal expo** and **“Escape to the Cape”** small-business expo this year, highlighting local vendors and giving residents the opportunity to support local businesses right here in the North Country.

— Visit Russell’s North Country Department Store —

This November, visit Assemblywoman Russell’s fourth annual **North Country Department Store**. The event is the perfect opportunity to shop local and stock up on unique gifts before the holiday season.

If you are a small-business owner who would like to participate in the 2014 North Country Department Store, please contact Assemblywoman Russell’s office. It is never too early to sign up!

Russell is cutting taxes to help local businesses.  
— She successfully fought to: —

- ✓ Reduce the small business and personal income tax rates to their lowest levels in decades, making New York more business friendly.
- ✓ Eliminate the income tax for manufacturers and slash their property taxes by 20%.
- ✓ Cut an energy tax for businesses and consumers by \$600 million over 3 years.
- ✓ Create tax-free zones near SUNY Canton, SUNY Potsdam and Jefferson Community College as part of START-UP NY, helping to spur economic growth and keep talented young professionals here in the North Country.

— Serving small-business owners who served us —

Assemblywoman Russell helped pass the Service-Disabled Veteran-Owned Business Act. The new law sets a 6% participation goal in the awarding of state contracts to businesses owned by service-disabled veterans and supports the brave men and women who have sacrificed so much to defend our freedom.
