# It's time to stand up and fight for Fort Drum

**Fort Drum is our region's largest employer** with a combined military and civilian workforce of almost 22,000

The Army has proposed **cutting Fort Drum personnel by 16,000 jobs**, a devastating hit for local families and businesses

Join in the fight against these cuts and **show our community support for the men and women who fight for our freedoms**

**Sign the FDRLO online petition by visiting**
