# Upstate Kids are being shortchanged

*That's Not Right!*

Marc Butler knows  
our kids deserve better:

- **RETURN SCHOOL AID MONEY TO OUR KIDS:** He's fighting to restore school aid to all students, especially those who need it most. This year, he and his fellow legislators boosted school aid by \$805 million, for a total of \$20.3 billion, and made sure it went to the neediest school districts.
- **LET US DECIDE HOW OUR KIDS' MONEY IS SPENT:** He's fighting to end Albany's costly unfunded mandates to ensure more dollars are spent on our kids to give them a competitive edge.
- **FAIRER FUNDING FOR RURAL UPSTATE SCHOOLS:** He and the Board of Regents agree – it's time to make the school aid formula fairer for students in rural and lower-wealth schools.
