Herkimer, NY 13350

Meet Marc Butler ...Your New Assemblyman!

Every 10 years, Assembly districts are redrawn, and as your new assemblyman, I am eager to get to know you and serve you well here at home and in Albany. What matters to you most is what matters to me, and I am here to help.

We need opportunities and job growth.

I stand up for investing in our economy and our kids' fair share of school aid.

We need revitalization of our communities.

I stand up for lower property taxes, unfunded mandate relief and removing barriers to economic growth.

We have a certain way of life and a unique heritage.

I will always stand up for our rights and beliefs.

I know that together we can accomplish great things right here in our communities.

Let Marc stand up for you.
