# SHOP LOCAL

## WHY BUY LOCAL-SHOP LOCAL?

- For every \$1 spent locally, about 50¢ is reinvested in the community.
- Businesses mean that roads and bridges are kept in better condition.
- Crime is reduced when communities have a healthy business district.
- Local jobs increase.
- It tastes better: locally-grown food retains more of its nutrients.
- Shopping at farmers' markets supports family farms and maintains our landscape.

## HOW TO BUY LOCAL-SHOP LOCAL:

- Visit your local chamber of commerce office or website to learn about local businesses and events as well as opportunities like job fairs or continuing education.
- Visit [www.nyfarmersmarket.com](http://www.nyfarmersmarket.com) or [www.prideofny.com](http://www.prideofny.com) to find local foods and food products.
