MARC BUTLER AGREES!

It's time to say **NO** to officials who use taxpayer dollars to line their pockets and help their friends.

Here's What He's Doing About It!

Marc Butler has consistently supported stripping state pensions from officials convicted of corruption.

Marc Butler supports campaign finance reform and ending undue influence of large special interests.

Marc Butler co-sponsors the 'Truth in Spending' bill that requires full public disclosure of all discretionary spending in the state.

Marc hasn't stopped there! He's also a vocal reformer and sponsor of the *Public Officers Accountability Act*, which would create some of the toughest ethics laws in the nation.
