Mohawk Valley a great place to live!

Dear Mohawk Valley residents,

Brindisi thanks Mid-State Correctional Facility Superintendent John Colvin for the generous donations from Mid-State employees to the “Warm for Winter” clothing drive.

This area means so much to me. It’s home. I chose to raise my family here because of its beauty and potential. The Mohawk Valley is already a great place to live, and I hope to make it even better. I’m committed to doing what it takes to make living in the region more desirable and affordable – a place to grow your family and life.

Mohawk Valley families have big hearts. THANK YOU to all who participated in the “Warm for Winter” clothing drive I organized with the Rescue Mission of Utica. It was a huge success! Well over 300 coats and hundreds of gloves,

hats, boots and other winter accessories were donated. Your generosity and kindness will have a positive impact on the lives of many in our community.

Have a safe and happy holiday season, from my family to yours!

Sincerely,

Anthony J. Brindisi

Assemblymember Brindisi is getting RESULTS for the Mohawk Valley

✓ Working to lower your taxes

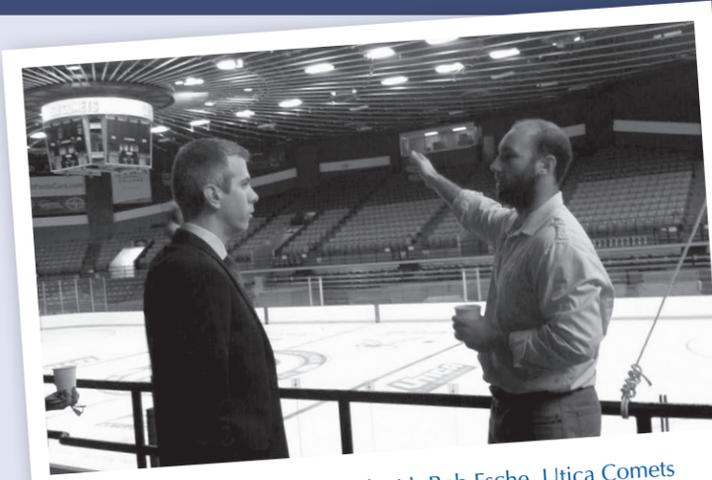

- Extended the lowest tax rate for middle-class families in 60 years
- Lowered energy taxes by cutting a utility surcharge
- Reduced taxes on manufacturers and small businesses
- Created a tax credit for businesses that hire veterans

✓ Creating opportunities for our young people

- Fought to make the Mohawk Valley the next major nano hub by pushing for the \$1.5 billion investment and 1,500 nanotech jobs at SUNYIT, so our students can enter careers in booming tech industries
- Sponsored legislation to create a Career and Technical Education (CTE) Diploma to create a pathway for students to compete for incoming manufacturing and technical positions
- Increased state education funding for local schools by over \$16 million

✓ Improving and investing in our infrastructure

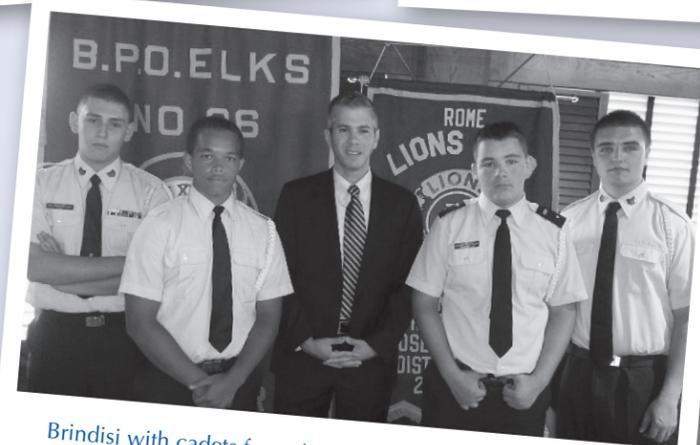

- Fought for an \$8.5 million grant to give Rome residents and businesses a safe, reliable water supply
- Secured \$6 million to upgrade Utica storm sewers as part of the rehabilitation of the Oneida County Sewage Treatment System
- Accelerated the \$3.36 million in state funding to replace the Route 291 bridge over Nine Mile Creek in Marcy
