

Assemblyman Brindisi met with nurses from the Mohawk Valley in Albany to discuss health care issues.

ASSEMBLYMAN BRINDISI says
THANK YOU! To Mohawk Valley
nurses.

ASSEMBLYMAN BRINDISI: Fighting for quality care

Brindisi is supporting nurses by:

- + Enacting the NPMA into law to streamline procedures for experienced nurse practitioners by removing the Written Practice Agreement requirement (Ch. 56 of 2014)
- + Supporting the Safe Staffing for Quality Care Act (A.6571)
- + Promoting the educational advancement of nurses (A.3103)

“It’s critical to have a variety of health care disciplines working together, and **Assemblyman Brindisi’s support** was crucial to providing better access to health care.
