• **Tuesday, July 8** •

6 p.m.

DeSales Center Auditorium

Join me at

NANO IN YOUR NEIGHBORHOOD

to learn more about what nanotechnology means for our community

• Attend Brindisi's Nano Utica forum •

Tuesday, July 8 at 6 p.m.

DESALES CENTER AUDITORIUM | 309 Genesee St., Utica

*With special guests from the SUNY College of
Nanoscale Science and Engineering in Albany:*

DR. NAKESHA SMITH

Nanotechnology Outreach Coordinator

DR. DANIEL WHITE

Associate Vice President for Student Affairs

Sponsored in conjunction with Councilman Jerome McKinsey, Oneida County NAACP, Mohawk Valley Latino Association, DeSales Center and Mohawk Valley Resource Center for Refugees

The Nano Utica project at SUNYIT will:

- Provide a **\$1.5 billion investment and 1,500 new jobs for SUNYIT**
- Provide an additional **\$45 billion in public and private investment** and as many as **5,000 anticipated jobs at the Marcy site** over the next decade
- Provide an environment for recruiting and training SUNYIT students
- Enable technology companies and groups to use the Computer Chip Commercialization Center ("Quad C") for research and development
