NEW YORK STATE ASSEMBLY
ALBANY

Dear Neighbor,

Every 10 years, the lines for each Assembly District are redrawn based on the census results. Due to this, I will no longer be your Assemblyman beginning January. Instead, you will be represented by Assemblyman Gary Finch.

It has been a privilege to represent you and our region in the State Assembly, and I am proud of the many accomplishments we have achieved for Central New York. With your support, I was able to help cap property taxes, create the first-in-the-nation DNA database, eliminate some of the burdensome regulations on small businesses and create jobs for our families.

Even though I will no longer be representing you, I plan to continue working for our families and job creators. From protecting the rights of our sportsmen and lowering the cost of doing business so our small businesses can grow and develop, I will always work to make life better for everyone. My priority still is to make this region the best possible place to work, live and raise a family.

Thank you again for your support these past 10 years. It has truly been an honor to serve you in Albany, and I will continue to work toward the economic development and betterment of Central New York.

Regards,

Will Barclay
Member of Assembly
124th District
