Update for Otsego
County families

Dear Neighbor,

You've spent years working hard and giving back to our community, and as your Assemblyman, I want to help ensure you can live with the peace of mind you deserve. That's why I helped pass a state budget that provides much-needed tax relief and helps protect you from skyrocketing medical costs.

I've also provided you with some numbers and information that could come in handy. And as always, please don't hesitate to give me a call or stop by my office if you have any questions or concerns. My door is always open.

Worried about staying cool this summer? Seniors on a fixed income may be eligible for HEAP Cooling Assistance, which can help you purchase an air conditioner.

Cuts Taxes

- Provides property tax relief in the form of rebate checks for homeowners
- Cuts an energy tax for residents and businesses
- Reforms New York's estate tax, so more farmers and families can pass their estates on to their loved ones — not the tax collector

Protects your health

- Expands eligibility for the Elderly Pharmaceutical Insurance Coverage (EPIC) program to help lower the cost of prescription drugs
- Protects you from surprise medical bills if you are unknowingly treated by an out-of-network doctor
- Ensures that you won't lose your life savings if your ill spouse needs long-term care
