HEAP cooling assistance program

The state has allocated \$3 million for helping those in need afford air conditioners and energy bills. If you or a family member suffers from a medical condition that is aggravated by extreme heat, you may be eligible for assistance.

Applications are already underway and are on a first-come, first-served basis. Find out if you qualify by contacting the Madison County Department of Social Services at **315-366-2211**.

Prescription drug assistance

The Elderly Pharmaceutical Insurance Coverage (EPIC) Program is New York State's prescription plan for seniors. It provides copayment assistance for Medicare Part D-covered prescription drugs after any Part D deductible is met. EPIC also covers many Medicare Part D-excluded drugs.

New York State residents age 65 and older who are not receiving full Medicaid benefits, and whose income is not higher than \$75,000 if single or \$100,000 if married, are eligible.

Call 1-800-332-3742 (TTY 1-800-290-9138) for more information or an application.

Property tax relief

Many may believe that Enhanced STAR and the Senior Citizens' Exemption are synonymous, but they're not. The Enhanced STAR program allows homeowners to receive significant exemptions on the taxable value of their homes, resulting in school tax savings. The Senior Citizens' Exemption could not only reduce your school taxes but also your county and town taxes. Age eligibility requirements vary by town. Call your town assessor to find out if you qualify.
