

“I fought for a state budget that supports families in upstate communities and **creates jobs, improves infrastructure and cuts taxes.**”

– Assemblyman **Bill Magee**

Assemblyman Bill Magee

Creating jobs, building a stronger economy

Strengthening our economy

- ✔ **Tax cuts** so middle-class families can keep more of their hard-earned money
- ✔ \$950 million to build on the **job creation** success of the Regional Economic Development Councils

Investing in our communities

- ✔ An increase of \$400 million over four years to **fix local highways and bridges**
- ✔ \$200 million in additional funding to help local governments **fix aging sewers and water mains**

Protecting our environment

- ✔ \$300 million for the **Environmental Protection Fund** to help farms, small businesses and local governments go green
- ✔ \$31 million for **agriculture** research, training and promotion
