

**“Heroin and painkiller addiction have devastated too many lives. We need to work together to get these deadly poisons out of our community and get people the help they need.”**

**– Assemblyman Bill Magee**

# Assemblyman Bill Magee

fought for \$170 million to fight heroin and opioid abuse:

- ✓ \$25 million for heroin and opioid treatment and prevention services
- ✓ \$1 million for safe drug disposal programs
- ✓ Support for more Narcan kits to help first responders save overdose victims

He also sponsored a bill to require insurance companies to pay for at least 90 days of rehabilitation services to ensure those struggling with addiction get the help they need (A.9211).
