

Every ten years, the United States Census is taken and new districts are drawn for the New York State Assembly, New York State Senate and the United States Congress.

“Since 1995, I have had the great privilege to represent various parts of the Southern Tier and its residents. On January 1, the new district now includes your neighborhood! I look forward to meeting and representing you in the 122nd Assembly District and in Albany.”

The newly drawn 122nd Assembly District now encompasses parts of Broome, Chenango, Delaware and Otsego counties.
