ASSEMBLYMAN
Gary D. Finch

In Albany, too many politicians believe that big government programs are the only way to solve problems. Gary Finch would rather empower New Yorkers to enrich their communities. He knows that cutting spending means cutting taxes for families who are working hard to pay mortgages and keep groceries on the table.

Gary Finch is working to bring accountability to the State Capitol

Assemblyman Gary Finch....

- **Voted NO on a soft-on-crime proposal** to send 16- and 17-year-old criminals who commit adult crimes to family court. It will cost taxpayers millions. (A.3009C)
- **Voted NO on a new big government program** to provide free college. Gary knows it's not fair to ask New Yorkers buried under student loans and high taxes to pay for everyone else. (A.3009C)
- **Voted NO on a budget resolution that included \$7 billion in new taxes** and hand-outs, including free health insurance and college educations for illegal immigrants. (A. Resolution #179)
- **Voted NO on a budget resolution that cut funding** for farm families. (A. Resolution #179)
- **Voted AGAINST funding for the NY SAFE Act.** (A. Resolution #179)
