ASSEMBLYMAN  
**Gary D. Finch**

Assemblyman Gary D. Finch knows that budgets say a lot about our priorities. He fought hard during negotiations to ensure that this year's budget included important investments in our middle class.

# Gary Finch is working hard to invest in *US*.

## Assemblyman Gary Finch delivered...

- **\$2.5 billion** to revitalize New York State's aging water infrastructure, including \$2 million for filtration upgrades for Auburn and Owasco. Every New Yorker deserves safe, clean drinking water. (S.3004-D)
- **\$200 million** in funding to continue battling the heroin and opioid epidemic. We're investing in treatment and compassion to beat suffering and addiction. (A.3003-D)
- **\$55 million** to protect critical services for the developmentally disabled. Our most vulnerable New Yorkers deserve to live fulfilling, healthy lives. (A.3003-D, A.3007-C)
- **\$995 million** to provide a record investment in our children's future. Education funding unlocks doors and empowers our kids by providing them with the resources they need to learn dynamic, new skills. (A.3000-D, A.3009-C)
