Brian Kolb: Delivering Real Change to Fix Albany and Protect Taxpayers

Do you have your own ideas about how we can fix Albany? I'd love to hear them. Give me a call at (315) 781-2030 or email me at kolbb@assembly.state.ny.us.

Here's what Brian Kolb has delivered:

- + Enacted two consecutive on-time State Budgets – and the first early budget since 1983 – that cut Albany's wasteful spending and reduced State government's cost to taxpayers
- + Closed \$13.5 billion in budget deficits over the past two years without increasing any broad-based State taxes, fees or surcharges
- + Consolidated, eliminated or merged nearly 30 government entities to reduce State government's size and cost to taxpayers
- + Enacted a 2% real property tax cap to help control the growth of local property taxes and provide relief to homeowners
- + Required the State to begin a phased-in takeover of the increase in the local share of Medicaid to protect local governments and taxpayers
- + Delivered bi-partisan ethics reform to clean-up Albany

Here's what Brian Kolb is working for:

- + Ban all new unfunded mandates; suspend current mandates unrelated to health and safety
- + Cap State Spending
- + Enact Initiative and Referendum so voters can put issues on the ballot
- + Institute term limits for Legislative Leaders and legislators
- + Establish an independent Legislative Redistricting Commission
- + No more closed-door secret meetings or "three-men-in-a-room" negotiating State Budgets and major legislation
