

What a difference  
2 years make...

# It's almost like night and day... In only 2 years, with a new governor, new legislature and new direction...

Together, they put an end to Albany's gridlock,  
late budgets, overspending and partisan bickering.

## In 2 years, Mark Johns...

- > Passed an on-time budget in 2011 and an early budget in 2012
- > Cut spending 2 years in a row
- > Closed a \$13.5 billion deficit
- > Lowered Family Income Tax rates to their lowest level in nearly 60 years
- > Capped property taxes for homeowners and small businesses
- > Secured \$68.8 million in economic development funding right here
- > Overhauled state ethics and crafted legislation to continue reforming Albany
- > Capped prescription co-pay costs for seniors, helping to lower the cost of living
- > Removed sales tax on clothing items costing less than \$110
