Yellow Dot is a free program designed to help first responders provide life-saving medical attention during that first “golden hour” after a crash or other emergency. A Yellow Dot in the driver’s-side rear window of your vehicle will alert first responders that vital medical information is stored in the glove compartment.

To receive your official Yellow Dot, come join Assemblyman Mark Johns and Sheriff Patrick O’Flynn on Wednesday, August 14 from 10 a.m. to 11:30 a.m. at the Maplewood Nursing and Rehabilitation Center.

For more information on this or any state issue, please contact Assemblyman Johns’ office at (585) 223-9130 or email [johnsm@assembly.state.ny.us](mailto:johnsm@assembly.state.ny.us)
