BUY SHOP LOCAL

WHY BUY LOCAL-SHOP LOCAL?

- For every \$1 spent locally, about 50¢ is reinvested in the community.
- Businesses mean that roads and bridges are kept in better condition.
- Crime is reduced when communities have a healthy business district.
- Local jobs increase.
- It tastes better: locally-grown food retains more of their nutrients.
- Shopping at farmers markets supports family farms, and maintains our landscape.

HOW TO BUY LOCAL-SHOP LOCAL:

- Visit your local chamber of commerce office or website to learn about local businesses and events as well as opportunities like job fairs or continuing education.
- Visit www.nyfarmersmarket.com or www.prideofny.com to find local foods and food products.
