

# Mark Johns: Delivering for Us

- Holding Albany Accountable:  
Fiscally & Ethically
- Fighting for Increased Funding for  
Our Schools and Roads
- Helping Promote Safety and Equality  
with the Women's Equality Agenda
- Working to Strengthen Our Local  
Economy

# ASSEMBLYMAN MARK JOHNS CONTINUES TO DELIVER FOR US.

- **Holding Albany Accountable:** Mark Johns' Real Reform Platform holds lawmakers accountable by requiring corrupt public officials to forfeit their pension, creates the crime of "public corruption," promotes an open democratic process, and installs term limits.
- **Fighting for Increased Funding for Our Schools and Roads:** Mark Johns is working across party lines to get us our fair share of funding for our schools, bridges and roads.
- **Helping Promote Safety and Equality:** For Mark Johns, public safety is a top priority. He also believes that everyone should have economic opportunity. Urging his colleagues to think likewise, he helped deliver individual votes on the Women's Equality Agenda and all of the bills now have been passed in both houses.
- **Working to Strengthen Our Local Economy:** Mark Johns knows that rebuilding our economy is still Job #1. Holding the line on state spending to help reduce our tax burden, Mark is also working to help improve our career options and increase job opportunities for us.

## MARK JOHNS HAS CONTINUED TO PROMOTE FISCAL RESPONSIBILITY IN ALBANY:

- **Consistently voted against tax increases,** saving New Yorkers billions of dollars.
- **Helped to pass 5 on-time, fiscally-sound state budgets** that reined in spending.
