

Assemblywoman Crystal D. Peoples-Stokes

Unemployed? Underemployed? Interested in Training?

Are you interested in any of the following occupations?

Medical Coding (Electronic Medical Records), **Nursing** (RN), **CNA** (Certified Nursing Assistant), **CNC Machinists** (Computer Numerical Control), **Quality Assurance Inspector**, **Electrician**, **Welder**, **Customer Service**, **Electro-Mechanical Technician**, **Pharmacy Technician**.

Come to the “Bridging the Gap” Community Forum for:

- **Info on free and flexible training** - from CNC Machining to Medical Coding
- **Training on how to deal with workplace conflict resolution, problem-solving and co-worker interaction**
- **First-hand experience from community employers**, with more than 53 participating companies on hand
- **Register for job-specific certification classes**. These careers don't require a degree; obtain what's needed to be able to pass testing and certification.

Dress for Success!

Please no casual attire.

Event Partners:

Buffalo Center For Arts & Technology, SUNY at Buffalo Educational Opportunity Center, Buffalo Employment & Training Center, NYS Dept. of Labor, Harvest House and Buffalo Adult Education
