Matthew J. Driscoll, Commissioner  
New York State Department of Transportation  
NYSDOT Main Office  
50 Wolf Road  
Albany, NY 12232

Dear Commissioner Driscoll:

I am writing this letter in regards to two separate traffic incidents that occurred in my Assembly District over the last year.

On August 4, 2014, a 12 year old boy was hit and killed crossing Harlem Road at the Walden Avenue intersection in the Town of Cheektowaga (Erie County). Sadly, last night a 19 year old girl was killed at the very same intersection.

At this time, I am respectfully requesting a traffic study of this intersection be conducted by local Department of Transportation personnel as soon as possible. In addition, I would appreciate your help in ordering the immediate installation of pedestrian crossing alarms at this intersection. There is certainly an ongoing problem in this area that needs to be addressed so no other children are hurt.

I would appreciate your assistance with matter. Please feel free to contact me with any additional questions or comments. Thank you.

Sincerely,

Angela M. Wozniak  
Member of Assembly
