Dear Neighbor,

Women's History Month is a time to recognize and pay tribute to the women who have shaped the course of our history. It also presents an opportunity for us to show the women in our lives our appreciation for the work they do to help make our community great.

Join me in celebrating their achievements this Women's History Month by nominating someone who strives for greatness and whose impact has made a difference in our community. The awards will be presented at a ceremony on Saturday, April 16 at 1 p.m. I look forward to hearing from you and learning more about the woman you have selected to be considered for this award.

As always, please feel free to contact my office if you have any questions about this or any other community issues. Let's continue to show our gratitude to those who inspire us.

Sincerely,

John D. Ceretto
