## **Christmas in July Toy Drive**

**to benefit Kaleida Health's Women & Children's Hospital**

Donate new, unwrapped toys to put a smile on the face of a local child dealing with illness. Drop off items at Assemblyman Walter's district office from now until July 26 or contact the office at 634-1895 for more locations.

## **Summer Reading Challenge**

Did you know that children who read over the summer perform better in school? Throughout the months of July and August, keep track of when your child reads, and when they reach the goal they will receive a certificate. Contact my office at 634-1895 for this year's Summer Reading Challenge calendar and brochure.

## **Family Health Fair**

**in conjunction with Senator Michael Ranzenhofer,  
Assemblywoman Jane Corwin, and Kaleida Health**

Take part in a fun-filled day of health education featuring informational displays, illness screenings and more on Saturday, August 3 from 9 AM-12 PM at the Amherst Senior Center, 370 JJ Audubon Parkway in Amherst.

For more information on these events or any other state issue, please contact
