

Yellow Dot is a free program designed to help first responders provide life-saving medical attention during that first “golden hour” after a crash or other emergency. A Yellow Dot in the driver’s-side rear window of your vehicle will alert first responders that vital medical information is stored in the glove compartment.

To receive your official Yellow Dot, come join Assemblyman Ray Walter and Sheriff Tim Howard on Tuesday, August 6 from 11 a.m. to 12 p.m. at the Amherst Senior Center.
