

A BRIGHTER FUTURE

RAY
WALTER
★ NEW YORK STATE ASSEMBLY

In 2010, New York City politicians cut millions from our upstate schools. Last year, **Assemblyman Ray Walter helped to restore \$600 million.**

Now he's fighting to deliver the rest so that our schools and children are provided with the funding they need to thrive.

Restoring these funds will:

- **Help** schools retain talented teachers
- **Equip** our classrooms with needed resources
- **Protect** art, music and athletic programs
- **Preserve** after-school programs
- **Control** our school taxes

5555 Main Street • Williamsville, NY 14221
