★ NEW YORK STATE **ASSEMBLY**

2016 LEGISLATIVE WRAP UP

- ✓ **Approved a constitutional amendment** to work toward stripping pensions from corrupt politicians. (A.10739-A)
- ✓ **Passed a legislative package** that will provide families across Western New York with the assistance they need to overcome addiction and prevent tragedy. (A.10725, A.10726, A.10727)
- ✓ **Fully restored education funding cuts**, allowing our schools to preserve valuable educators and staff, as well as critical programs. (A.9003D)
- ✓ **Provided an additional \$50 million in capital funding** to the SUNY & CUNY school systems. (A.10741)

More To Be Done:

- ◆ Provide additional assistance to small businesses or effective reform for burdensome regulations;
- ◆ Implement across the board mandate relief for localities, school districts, and homeowners;
- ◆ Enact term limits for legislative leaders and close LLC loopholes; and
- ◆ Increase transparency for taxpayer funded economic development initiatives.
