Yellow Dot is a free program designed to help first responders provide life-saving medical attention during that first “golden hour” after a crash or other emergency. A Yellow Dot in the driver’s-side rear window of your vehicle will alert first responders that vital medical information is stored in the glove compartment.

To get your Yellow Dot decal, join Assemblyman Ray Walter and the Niagara County Sheriff’s Office on Tuesday, August 30 at 11:30 a.m. at the Pendleton Center United Methodist Church.

For more information on this or any state issue, please contact Assemblyman Walter’s office at (716) 634-1895 or email walterr@nyassembly.gov
