ASSEMBLYMAN
DAVID
DIPIETRO:
DRAWING A LINE IN THE SAND.

Stand with the Constitution & Founding Fathers

Join the THOUSANDS of people from across the state standing with Assemblyman David DiPietro against the unconstitutional measures passed earlier this year. Assemblyman DiPietro voted against the NY SAFE ACT and has introduced legislation for its full repeal. The NY

SAFE ACT has and will continue to make your health history common knowledge amongst the unelected bureaucrats who will decide whether or not to confiscate your guns and suspend

your Second Amendment rights. If you want this law repealed, fill out the return card to show that you too have drawn a line in the sand when it comes to your constitutional rights!

Yes! I want the SAFE Act to be repealed!
