Join Assemblyman David DiPietro Put Our Children Before Convicted Felons

Yes, I believe that law-abiding families struggling with their own student debt should not be forced to pay for the education of convicted felons. I stand with you and the families of New York State in your fight to protect our taxpayer dollars from being used to benefit those who have broken our laws.

Once again, the downstate elite in Albany have misplaced their priorities. At a time when our education system seems to be in limbo, the progressive liberals have elected to set aside money for convicted felons to receive college educations. If the governor is magically finding new funds in his education budget, I would like that money to go back into textbooks, teachers, and classrooms.
