ENOUGH IS ENOUGH!

Assemblyman Raia is committed to keeping our neighborhoods safe! Attacks on our children and police officers must stop. MS-13 is putting our safety at risk, and Assemblyman Raia is determined to stop this vicious group! He supports:

- **Cracking down on gangs like MS-13 by strengthening penalties for gang activity, recruitment, and involvement. (A.5477)**
- **Lengthening prison sentences for convicted gang members to keep them off our streets. (A.5477)**

“We can no longer defend, coddle and excuse actions by the monsters that associate with MS-13! Let’s stop this madness and implement laws that will eliminate the MS-13 operation!”

Keeping Long Island families safe is my top priority! Let me hear from you. Any comments, questions or concerns, please contact me at:
