FOR ASSEMBLYMAN DAVE McDONOUGH – STUDENTS COME FIRST

Dave knows that our children's education means everything to us.

He realizes that teachers and parents should have the last word when it comes to education, not government bureaucrats.

Every student deserves the best chance to succeed, and that starts with REDUCING RIGOROUS TESTING and making sure our schools receive their fair share of funding.

Dave's plan for Long Island education:

-  Over \$3.2 billion in education funding, more than a \$111 million increase.
-  Passed bi-partisan legislation eliminating the practice of tying teacher evaluations to student scores on state assessments. **(A.10475)**
-  Sponsors legislation providing alternative pathways to education through technical fields and the trades. **(A.7972-A)**
-  Pass the Standardized Testing Transparency Act, requiring the release of all standardized testing content, questions and opt-out data to the public within 30 days. **(A.2312)**
-  Voted to secure billions in new education funding to provide more laptops, tablets, smartboards and security upgrades to our schools. **(A.8556-D of 2014)**
